Good learning interesting topic

EXCELLENT

The session was very good and useful to us

It was useful

Interesting and gain knowldge

Awesome and very use to growing up my talent

Super

Really superb

Learned about machine learning

Enjoying and its very useful to improve our knowledge and gaining extra activities

Good we learnt something new

Super

Very nice

Superb session I never had this type of session if we had this type of session for 4 years as our regular time table period we will become the next Albert Einstein

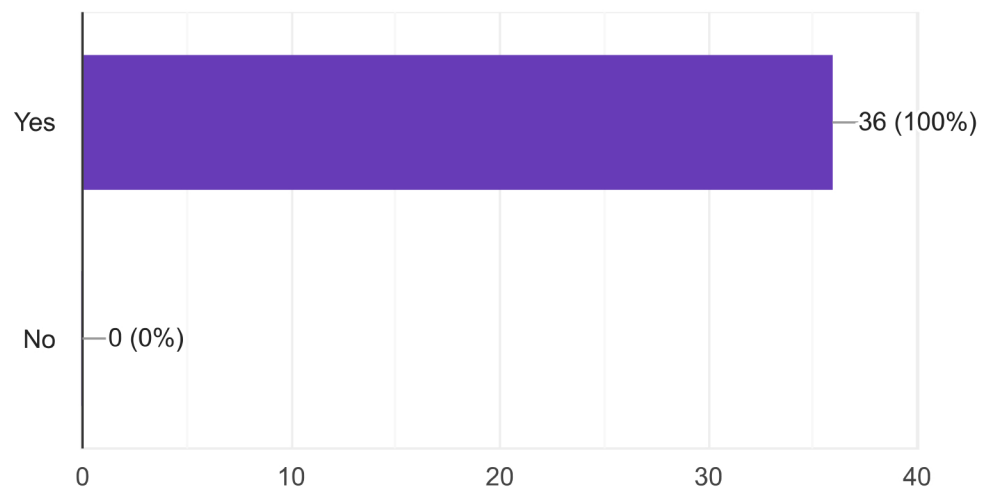

Good and informative

Nyzzzz

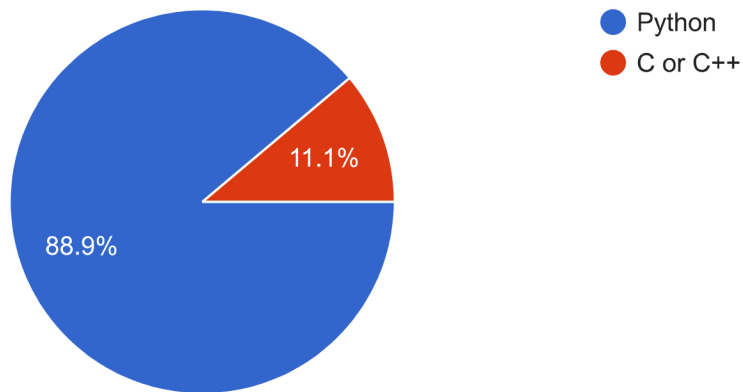

Can I Host next Workshop ?

Any improvement we should do ?

30 responses

No

Nothing

Nope

It should be more practical

Yes

Ntng

Yes I improvement very much

Not necessary

No any improvement

No issue

We want more classes related to technical knowledge

Nothing else.....

Nothing else.....

Give more information about the game development

I need some practical concept

No bro....its excellent

Yes..must start from basics

Nil

No

No, I need a clear mind to choose a aim

Yes,start from the basics

If interested in Next series of Events?
